## STRAY ANIMAL FEEDING-350/DAY

The feeding programme continues feeding 350 hungry strays at their places every day. Thanks to all who supported the feeding programme.

65 Kgs of rice needed everyday to feed them. Your support in kind is requested to support the programme.

### Required

- Cooking rice
- Coconut oil
- Vegetables
- Dog food-dry/gravy

- Tumor surgeries
- Eye surgeries
- Hematoma surgeries
- Orthopedic surgeries
- Animal Birth Control Surgeries

## VACCINATIONS- 219

Total number of animals rescued till date- 6468

Present number of animals under treatment-68

## OUTPATIENTS- 102

The Trust has been taking School awareness campaigns into account on the basis of the increasing human-animal conflicts. One of the main reasons noted in dog bite cases is the lack of awareness. Bark India's School Awareness Programme has reached to 5 schools and 499 school children in the month, on 'Behaviour and psychology of dogs, and prevention of dog bite and rabies'.

# Thank you

**HELP US CONTINUE**

Public support is the backbone of the Organization in helping animals. Without your support, we would not have been able to help the number of animals that are rescued and treated so far.

We request your continuous support in meeting the expenses in rescuing, treating, feeding, vaccinating and meeting the surgical expenses of sick/injured stray animals who are in urgent need of help.
