

# BARK INDIA CHARITABLE TRUST

03/01/2024

## Monthly newsletter - December, 2023

As we usher in the warmth of another month, we find ourselves reflecting on the strides we've made together in our mission to create a compassionate world for our four-legged friends. Through your unwavering support, we've been able to witness remarkable transformations in the lives of these animals.

From providing essential medical treatments to creating a nurturing environment, your contributions have played a crucial role in making a difference.

Thanks to your ongoing support, we were able to admit these animals into our care, offering them a second chance at life. Our skilled veterinarians and compassionate staff have been working around the clock to provide essential medical care, nursing these animals back to health and ensuring they receive the love and attention they deserve.

With your generosity, our veterinary team has been working tirelessly to provide essential medical care to the animals in our care. From routine vaccinations to life-saving surgeries, every contribution you make directly contributes to their healing journey. Each recovery is a testament to the impact that collective compassion can have on the lives of our four-legged friends.

## Rescue and treatment- 106

( Dogs- 67, Cats- 5)

In the heart of the bustling streets, our rescuers discovered furry friends in dire need of attention. From the bustling markets to the quiet alleyways, each rescue represented a commitment to alleviating the suffering of the most vulnerable members of our community.

Throughout the month, our veterinary teams were on high alert, administering medical care to alleviate pain and treat various ailments affecting these animals.

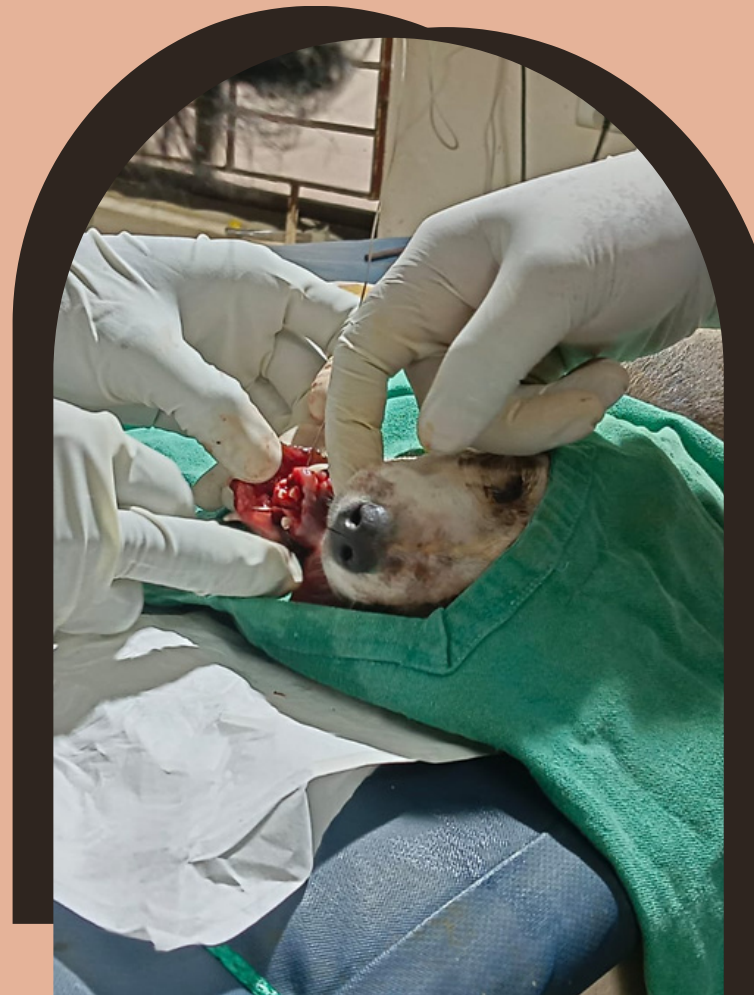

## Outpatients- 98

**Compassion knows no bounds; healing sick stray animals mends not just their wounds, but the fabric of our shared humanity.**

## Veterinary Surgeries- 79

From intricate orthopedic procedures mending broken bones to the successful removal of tumors that threatened the well-being of our rescued friends, our veterinary team has demonstrated unparalleled commitment. Additionally, we've made significant strides in controlling the stray animal population through widespread spaying and neutering initiatives, contributing to the overall welfare of our local strays. These surgical interventions not only alleviate immediate suffering but also pave the way for a brighter and healthier future for each animal in our care.

As we continue our mission, we remain steadfast in our commitment to providing comprehensive medical care for every rescued stray, ensuring they receive the love and attention they so rightfully deserve.

## ADOPTION CAMP- 1

## ADOPTIONS- 2

Thanks and wishes to the 3rd batch of Veterinary interns of RIVER, Pondicherry on the completion of internship at Bark India.

## SCHOOL AWARENESS PROGRAMME-2

2 School Awareness Programmes are conducted in the month at Presidency Higher Secondary School, Reddiarpalayam, Government Primary School, Gorimedu, Puducherry, that benefited and educated 240 students.

Please do contact if you would like to conduct the programme in any schools you are in contact with.

# CONTINUE YOUR VITAL SUPPORT!

Throughout the past year, your contributions enabled us to expand our efforts, reaching more animals in need and creating a positive ripple effect in the communities we serve. From rescuing sick/injured stray animals, treating and providing all the required medical care and surgeries, feeding the hungry and finding homes to them, to educating the younger generation, your support has truly made a difference.

As we step into 2024, we humbly ask for your continued partnership in our mission. The challenges persist, and so does our commitment to creating a world where every animal is treated with compassion and respect. Your ongoing support will fuel our initiatives, allowing us to tackle new challenges and expand our reach to make an even greater impact.

Together, we have the power to transform the lives of countless animals and build a more compassionate world. Thank you for being the driving force behind our mission, and we look forward to your continued support in the year.
