

BARK INDIA CHARITABLE TRUST

Monthly Newsletter- January, 2024

As we stepped into the new year, our commitment to animal welfare remains unwavering, despite facing challenges. With an increased number of rescues and an expanded reach into new areas, our team encountered hurdles due to limited manpower and resources.

However, despite these obstacles, we're thrilled to share that our efforts have positively impacted over a hundred animals, alongside various initiatives aimed at promoting animal welfare. Join us as we reflect on the past month's endeavors and look forward to making an even greater difference in the lives of animals in need.

Rescue and Treatment- 121 (Dog-116, Cat-5)

With boundless compassion and unwavering determination they embark on missions to rescue wounded, injured, and sick dogs and cats from the streets. These brave individuals provide critical medical attention, nurturing care, and a safe haven for these vulnerable animals, giving them a second chance at life.

Veterinary Surgeries- 66

This month, thanks to the unwavering support of our donors and the dedication of our veterinary team, several animals underwent life-changing surgeries. From complex orthopedic procedures to vital spaying and neutering surgeries, each intervention not only improves the individual animal's quality of life but also contributes to our broader mission of promoting animal welfare.

Adoption Camps- 1 Adoptions-3

3 motherless stray puppies found their forever happy homes in the month. 1 Adoption camp was conducted.

All the animals get adopted from us receive free vaccinations and sterilization on time.

Stray Animal Feeding

Every day, rain or shine, our dedicated team ensures that 350 precious animals across Pondicherry and nearby Tamil Nadu receive the nourishment they need right where they are.

In areas where food availability is scarce, our programme becomes a lifeline for our canine companion animals.

Veterinary Internship

Thanks and wishes to all the veterinarians of Rajiv Gandhi Institute of Veterinary Education and Research, Pondicherry for your internship at Bark India.

School Awareness Programme-1

A school awareness programme was offering valuable insights into dog behavior and essential dos and don'ts when interacting with animals. Through engaging activities and discussions, we empowered the next generation with knowledge and empathy towards our furry friends, fostering a culture of compassion and responsible pet ownership.

Outpatients

From beloved canine companions to cherished feline friends, and even some unexpected guests like goats and chickens, our dedicated team has been working tirelessly to provide the best care possible for every creature that comes through our doors.

Support our mission

Donate Today!

As the sole animal rescue organization in Pondicherry, equipped with both a rescue center and a hospital, our commitment to saving and caring for animals in need has never been stronger. Each day, our area of activity expands, and the number of rescues we undertake continues to rise.

However, despite our unwavering dedication, we face challenges stemming from limited resources and manpower.

We recognize that our ability to fulfill our mission relies heavily on the generosity and support of our community.

Your contributions, whether in the form of monetary donations or donations in kind, play a vital role in sustaining our efforts. Every contribution directly impacts the lives of the animals we rescue and care for.

Many thanks to Mr. Santhosh Kunnath for your kind and generous donation in-kind for the rescue fur kids. Your support is helping their food and medical care in a great way.
