

Bark India Charitable Trust

Monthly Newsletter- September, 2025

September has been a month of compassion and action at Bark India. From rescuing and treating injured animals to conducting awareness programs in schools and vaccinating dogs against rabies, our team has worked tirelessly to create a safer, kinder community for both humans and animals.

With the support of donors, volunteers, and well-wishers like you, we continue to make a difference every single day. Here's a glimpse into our September journey together.

Rescue and Treatment- 142

October kept us busy with an unusually high number of rescues, as many sick and injured animals needed urgent care.

We are grateful that we could reach and help more animals in need this month.

From maggot wounds to deadly cancers, and from minor fractures to critical spinal injuries, October saw us attending all kinds of rescue cases. Each life we touched reminded us of the importance of timely care and compassion.

Veterinary Surgeries-100

Since the number of rescues were higher, the number of surgeries as well.

From hematomas to emergency surgeries like orthopedic, TVT, and tumor removals, neutering of rescue animals before their release, our veterinary team has provided the best medical care of the rescue kids.

Towards rabies-free Pondicherry!

Vaccination Camps- 3

Working towards a rabies-free Pondicherry by 2030. We provide free Anti-rabies vaccination at Bark India hospital as well as conducting camps at different places.

If you would like to conduct a vaccination drive in your area, please ping us.

ADOPTIONS- 1

Welcome to the new batch of veterinary interns of the year, from RIVER, Puducherry. 2 batches have completed their internship in the month.

All content, photos, and information explicitly belong to Bark India; unauthorized use is prohibited.

Help Us Continue!

You are the driving force behind all our mission.

WITH GRATITUDE AND HOPE

As we close another month of rescues, treatments, and vaccinations, we extend our deepest thanks to all our donors who make this work possible.

Your kindness and generosity have saved countless lives—from tiny puppies and kittens to severely injured and sick animals who had no one else to turn to. Every rescue we carry out is a direct reflection of your support.

To continue this journey of compassion, we humbly request you to keep supporting us through one-time donations or by becoming a monthly donor. Monthly contributions, no matter the amount, give us the stability to plan ahead, provide timely medical care, and never turn away an animal in need.

Thank you for being a part of our mission.
